“ Irene; you were my sister for almost 67 years. The oldest of 4 sisters and the first of “Las Linares” to leave this earthly life. A piece of my heart has been thorned off my chest. And although I know that losing a loved one, my sister; is part of the cycle of life; it doesn’t make it any easier. The promise is; we should see each other again. So “catch up” with nuestros “viejos”; until the day “we meet again”.
