“ *Marian was a beautiful, caring women, and someone I have been lucky enough to know. My condolences to Sophie Monchik who has been her best friend and sole caretaker. Sophie has been by her side for the past 20 years, taking care of all of her needs, even the painstaking task of having her moved to a nursing facility, making sure she had the best care, and handling all the financial needs necessary to do so. Sophie did this out of love and kindness, and did not receive any help from any family. It saddens me to not see her name in Marians tribute. Rest in Peace sweet Marian!*
