“ Nick was a Hoboken boy and classmate of mine at St. Francis grammar school in Hoboken. Unfortunately we lost touch after that but connected again at a reunion some years ago. A great guy with a great sense of humor. May God bless his soul and may his family take joy from of his memory. Rest in peace, Nick.

“ Oh my heart. I am so sorry to hear of the passing of this truly fine man. I knew Nick more than 30 years ago in the Auto Industry and stayed in touch ever since. Our paths crossed many times. He was one of the "good guys." I am truly mourning a man with a big heart and a wonderful personality. I pray for his rest with the Lord. May Eternal Light Shine Upon him....

“ We are so sorry to hear of Nick's passing. I met Nick's back in the early 80's. Over the years, I worked with him in Hillside and Springfield. He was a good friend and mentor, who will be deeply missed.

“ I met Nicholas in 2007, he replied to a Sales Manager position at my dealership Englewood Volvo. I made a mistake and did not hire Nick, I told him this. He would have been a much better Manager then the man I chose, who only lasted 9 months and I let him go. We stayed friends on face book all these years. I complemented Nick on his kindness and sense of humor and his incredible knowledge of the retail automobile business. During his recent health issues i tried to encourage him. We talked about Jesus and how much he loves us.

*Until we meet again with our savior Jesus Christ,  
Your friend,
