“ Our condolences to Loretta, Alex, Joy and girls,

We are deeply saddened to hear of Ross's passing. He always
made us laugh. He made an impression on everyone he met. He
was loving, funny and strong. They don't make many men like him
these days. We were honored to have known him. I remember how
he always asked me when Angelo was going to propose to me lol.
We always loved hanging out with him at the girls bday parties at
his home when he bought the industrial size ice cream tubs!! Too
many memories... we will miss him. May he Rest In Peace.
Love the Ragucci family

“ My condolences to Loretta, Alex ,Lucy & Family. Ross was such a loving preson he always liked to joke around and have a good time. If ross was in the room there would deff be loretta laughing so hard she cry. He always new how to joke around. I will always remeber him that way. Great guy loved his family and would do anything to help them. My mom would tell me stories of them going to the casino and him and lucy racing in their motorized wheel chairs. She had me laughin so hard . A man who had a good time no matter what he was feeling he enjoyed his life to the end. Ross RIP no more suffering and or pain. 💔 love Marianne & family

“ *My heart is broken big brother. You are the best big brother any sister could of asked for, from our childhood to our adult hood you were always there. I will miss you so much. Life is not always the way we want it to be but we have to be very grateful for the time we had. We shared many of memories good & bad I will only think of the good ones and I thank you for all of them. I could go on and on about our life's there is so much inside of me I just can't find the words to let it all out. Just know how much I love you and appreciate everything you done for me. Rest in Peace my brother in the arms of Jesus. You will always be in my Heart.*
